RE: Soil and Plant Products

The Environmental Care & Share, Inc. soil and plant products are formulated with top quality ingredients to meet or surpass industry standards. No non-organic carriers or GMO source materials are used, and our manufacturing and packaging facilities meet 'food grade' or higher standards.

The Bio-N-Liven Answer®, The Carbon Answer®, and The Mineral-Electrolyte Answer® meet the following compliance regulations: Additional certifications and listings are identified on the individual product information pages.

- **FDA Meets** all U.S. Food and Drug Administration regulations as Generally Regarded As Safe (GRAS.)
- **EPA Meets** U.S. Environmental Protection Agency National Primary and Secondary Drinking Water Regulations. Meets U.S. EPA Office of Air Quality Planning and Standards Regulations.
- **USDA Meets** U.S. Department of Agriculture regulations as Generally Regarded As Safe (GRAS.)
- **OSHA Meets** U.S. Department of Labor Occupational Safety & Health Administration Regulations.
- **DOT Contains** no substances that require placards during transport under U.S. Department of Transportation regulations.
- **CALIFORNIA Proposition 65** – Contains no substances listed under the California Safe Drinking Water and Toxic Enforcement Act of 1986 and updated to December 31, 2004.
- **NOP Meets** the standards required for use in producing products certified under the National Organic Product program.
