

THE BIO-N-LIVEN ANSWER®

PRODUCT DESCRIPTION and PURPOSE: *The Bio-N-Liven Answer*® is a concentrated enzymatic system formulated to promote composting, odor and waste remediation, and pond clarifying.

APPLICATION DIRECTIONS:

General composting of plant and animal residue, pond clarification and odor remediation for household, yard and garden users, and commercial users:

Compost: Add at a rate of 1 to 2 oz/cu.yd. of compost with sufficient water to evenly distribute. Use as often as desired to promote composting.

Sewer Lines, Drains and Septic Tanks: Monthly or as needed, pour 8 oz. down drain.

Grease Traps: Add 1 gallon every 2 weeks or as needed.

Odor Abatement: Mix 1:10 to 300 with water and spray or mist over surface area.

Manure Lagoons and Waste Ponds: Use one gallon per acre foot (326,000 gal.) of volume every two to four weeks or as needed. May be injected, poured or sprayed over surface.

Animal Facilities: Poultry and Hog Houses, Feedlots, Pet Facilities, etc.: Every 2 weeks or as needed (daily is acceptable) mix 1 to 300 with water and spray over entire area. Fogger equipment for continual metered application is suggested.

STORAGE: Store out of direct sunlight and in a cool place above 32° F. and below 110° F. Do Not Freeze. Empty containers may be rinsed and discarded with non-hazardous waste or recycled.

CAUTION: Keep out of reach of children. If splashed in eyes, flush with fresh water up to 15 minutes. For sensitive skin, flush with water. If accidentally swallowed, dilute by drinking water and call a physician if negative symptoms occur.

NOTE: A product's metal content data may be required by your State Department of Agriculture. Check your State's Uniform Resource Locator (URL) internet address for information.

MANUFACTURED and DISTRIBUTED BY:

Environmental Care & Share, Inc., 15611 W. 6th Ave, Golden, CO 80401-5051.

Exclusive Distributor/Agent for the Caribbean, Central America and South America:
